

ORDER YOUR CHRISTMAS CANDY NOW

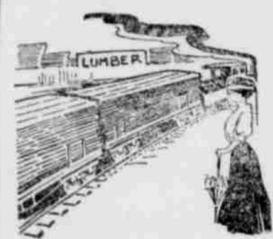

For several years past we have given our customers the privilege of ordering their Christmas candy in advance and this privilege is appreciated by them very much.

We are very careful about keeping our candy. We are special agents for Hayers and Kellogg candies which are such delicate, high grade candies that they are best only when absolutely fresh, therefore, we order at one time only such quantity that will allow us to supply it to our customers in perfect condition. It is for this reason we ask you to order your Christmas candy in advance.

There was a fair attendance last evening at the Light Guard Armory when the Y. M. C. A. indoor team defeated the North Tamaracks by the score of 29 to 8. The game was played on a waxed floor, which was a handicap for the players, but despite this was exceedingly well played.

The features of the game were the fielding of Beauchaine of North Tamarack and base running of McClelland of the Y. M. C. A. The score by innings:

There will be a game in the Y. M. C. A. this evening when the Machinists and the Y. M. C. A. will meet. Both teams have a clean record to date, having won all their games.

FULL CALUMET & HECLA BAND ENGAGED FOR PARTS

The announcement is made that the full Calumet and Hecla band has been engaged to render music for the party which is to be given by the ladies of Houghton county at the Calumet Light Guard armory on Thursday, December 30, for the benefit of the Calumet Associated Charities and the Houghton County Anti-Tuberculosis society. The band will be much appreciated. The party will be strictly informal, and those instrumental in bringing it about are from Houghton, Hancock, Lake Linden, Dollar Bay and Keweenaw county as well as from Calumet. Admission will be one dollar per ticket and it is thought that the tickets will be placed on sale within a week. The ladies will serve refreshments during the evening and every effort will be made to swell the receipts.

It is hard to imagine worthier motives than those which prompt the Houghton county ladies to give this party. The Associated Charities needs as much assistance as it can get and the same is true of the Anti-Tuberculosis society. The opportunity presented to the Calumet public to assist is the same that is offered in a number of the larger cities of the country, and the party should be liberally supported.

Mrs. J. E. Howard has gone to Detroit, where she will spend the holidays.

THE CUSTER MASSACRE.

The management of the Royal theater has made arrangements for the only appearance in this city of "Custer's Last Stand" which will be given for three successive evenings commencing to-night. This picture film is 1,000 feet long showing a panoramic view of the battlefield at the "Little Big Horn." The picture was taken of 600 Indians in war paint and feathers opposed by a single company of Montana National Guard and is one of the best that has ever been offered to the local theater goers.

A FINE CHRISTMAS PRESENT.

The question of what to buy your family for Christmas can easily be settled by purchasing a piano at manufacturers' price. Come while our stock is complete. Grinnell Bros., Schumaker Block, 4th St., Calumet, and 207 Quincy St., Hancock. 28

A WARNING.

Breathes there a man with soul so dead,
Who never to himself hath said,
"My trade of late is getting bad,
I'll try another ten-inch add."
If such there be go mark him well,
For him no bank account shall swell;
No angel watch the golden stair,
To welcome home a millionaire.
The man who never asks for trade
By local line or ad displayed,
Cares more for rest than worldly gain,
And patronage but gives him pain,
Tread lightly, friends, let no rude sound
Disturb his solitude profound;
Here let him live in calm repose
Unthought except by men he owes,
And when he dies go plant him deep
That night may break his dreamless sleep;
Wherein no clamor may dispel
The quiet that he loved so well;
And that the world may know its loss,
Place on his grave a wreath of moss;
And on a stone above, "Here lies
A chump who wouldn't advertise."

GOV. HADLEY LIKELY TO BE ENGAGED FOR LECTURE

Failing to Get Definite Date For Bennett Lecture Hadley Will Be Secured.

Y. M. C. A. REPORT PLEASING

Geo. R. Hadley
The most important matter taken up at last night's meeting of the Y. M. C. A. board of directors was the question of substituting another lecturer to take the place of Claude N. Bennett of the information department at Washington, D. C. who was engaged to deliver a lecture in the Calumet theater next Tuesday evening.

The board decided to write the Lyceum bureau asking for a definite date for Claude N. Bennett. Failing to receive a satisfactory answer, the board will get into communication with Governor Hadley of Missouri, with a view to securing him.

It is believed that the Bennett lecture will now fall through. Mr. Bennett is very busy in Washington, owing to the convening of congress, and it is not likely he will be free to come until March or later. If this is ascertained to be the case Governor Hadley will be engaged if possible.

Secretary Westermann's report to the board last evening for the month of November was considered a very flattering one. It showed that the association is making excellent progress. There is a growing interest in the gymnasium work, while the businessmen's classes have grown to such an extent that it has been found necessary to install more lockers in the basement. Previous to the meeting last evening, Physical Director Sherwood had a class of 17 in the businessmen's division, which is a record.

Following the close of the meeting the directors partook of luncheon at the association's "Spa" lunch counter.

SOCIETY IS INCORPORATED.

Temporary Organization Has Been Made Permanent One.

The organization of Slovenian young men, which was brought about to raise money for the purchase of the beautiful new pipe organ of the St. Joseph's church about a year ago has been permanently organized under the state laws. The organization will be fraternal but will provide no sick or death benefits. It will not exert any political influence in the community but will promote social entertainments of various kinds. The officers of the organization are:

President—Joseph Jerman,
Secretary—Peter Bolopajovich,
Treasurer—Anton Stark.

The board of directors includes Karl Gasperich, John R. Sterbenz, Jr.; John Barich, Rev. Fr. Lucas Klopce, Joseph and Joseph Stefanac, Jr.

According to the articles of incorporation the name of the order will be the Slovenian Young Men's Union of St. Aloysius, and it will exist for thirty years. The members must be single men, from 16 to 44 years of age, and the union cannot be dissolved as long as there are seven members. It will be benevolent and proposes to carry out other aims of a fraternal body. The organization now has 86 members, although it started with but 26.

All of the witnesses in the street car accident in which Joe Brady, of Houghton, lost his life last Sunday while coming to Calumet to attend the Elks' memorial services, called at Justice Fisher's court today to sign the testimony.
